

Lehigh Valley Iced Tea

Inspired by the popular summer drink, the Long Island Iced Tea.

1 part Subarashii Kudamono Asian Pear Wine (chilled)

1 part fresh brewed Black Tea (unsweetened, chilled)

Splash of Mango juice (fresh or bottled) – just enough to give the cocktail a haze

Mix together and pour into a tall glass filled with ice.

If looking for a way to further knock off the humidity from the heat of the day – add a sprig of Thyme into the glass as garnish.
